HOW TO USE THIS BOOK

Determine the town and county of the water body you will be fishing. The use of a Maine map or atlas will be of assistance in locating the waterbody you are planning to fish.

If a body of water is not listed, then the general law (page 4) and county regulations (page 13 or 43) apply. If the body of water is listed, it will be followed by special rules that apply (see S-Codes on page 5).

Portions of Maine Statute, Title 12 have been summarized for this publication. For the detailed language contained in Title 12, please visit our website at www.maine.gov/ifw.

Each revision of this publication is filed with the Secretary of State and, as a result, the rules herein have the force of law as printed.

NEW REGULATIONS IN THIS BOOK

The following are some of the more significant general rule changes for the open water and ice fishing seasons. In addition there are numerous changes on individual waters. Please check the body of water you will be fishing.

- 1) This lawbook contains **both** open water and ice fishing regulations for the period beginning April 1, 2010 through March 31, 2012. Please keep this lawbook until April 1, 2012!
- 2) Many of the Special Rules Codes (S-Codes) have changed. Please review page 5 for these changes.
- 3) Fishing opportunities have been expanded on many lakes and ponds throughout the state. Changes include:
 - Most waters currently open to ice fishing are now also open to open water fishing during the same time period.
 - Class A ice fishing waters are now open from December 1 through April 30.
 - Most lakes and ponds in Southern and Eastern Counties are open to fishing year-round.
- 4) For Western and Northern Counties (pages 43-85) each county is separated into two categories; 1) waters open to ice and open water fishing and 2) waters open only to open water fishing.

GENERAL LAW

*General Law applies unless otherwise specified by individual water or county restrictions.
Please refer to individual waters for more detail.*

SEASONS

- For Southern and Eastern Counties, see page 13.
